

Terms & Conditions for use of Hematology Confolio Network

The Hematology Confolio Network website is available to institutions and individuals completely free of charge. By using this site, you indicate your agreement to these terms and conditions. If you do not accept these terms and conditions, please do not use Hematology Confolio Network.

The concept, technical set-up, navigation and system features of Hematology Confolio Network is copyright of the H-Net and the European Hematology Association, that it makes this Internet based system available on the following terms:

You are entitled to access and use Hematology Confolio Network for your personal research purposes.

The rights for your personal access cannot be transferred, sold or rented to anyone else.

You can download or print individual articles or other items from the materials in Hematology Confolio Network.

You cannot commercially redistribute, rent, lend, sell or modify any papers obtained from Hematology Confolio Network without the prior permission of the original author of the article and payment of royalties.

Any use of this material in whole or in part should include bibliographic citation, including author attribution, date, article title, and a statement as follows:

"Obtained from the Hematology Confolio Network website
<http://hematology.confolio.org>"

We reserve the right to refuse access to any individual, network or subscriber at any time. Neither H-Net, the European Hematology Association or the person placing depositories on the system, nor any other party involved in the preparation of this material, warrants that the information contained herein is in every respect accurate or complete.

Users of this website are advised to consult appropriate medical literature and product information with regard to drugs mentioned on Hematology Confolio Network website to verify dosages, methods and durations of administration and contraindications.

The H-Net and the European Hematology Association make no representation or warranties with respect to any treatment, action or application of medication by any person relying on the information offered within or through Hematology Confolio Network and are not responsible for any injury and/or damage arising there from.

Disclaimer of Warranty, Hematology Confolio Network is under development and changes may be made in these publications and programs at any time. In no event shall the H-Net, the European Hematology Association or the person placing depositories on the system, nor any other party involved in the preparation of this material be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the use of or the inability to use Hematology Confolio Network.

Any depositories published on the Hematology Confolio Network website are provided "as is": H-Net, the European Hematology Association or the person placing depositories on the system, nor any other party involved in the preparation of this material DOES WARRANT OR GUARANTEE ITS ACCURACY, COMPLETENESS, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. Descriptions of, or references to products or publications neither constitutes nor implies a guarantee, endorsement or support of claims made of that product, publication or service.

If you are using an offline browser that allows you to download content from a site and read it later, be aware that the same restrictions are imposed on their use.

In order for us to provide reliable, continuous, and timely access to Hematology Confolio Network for all users of the system, we require that you configure your offline browser to request no more than 20 pages per minute (roughly one request every 3-4 seconds).

Be aware that non-compliance with this rule might result in your access to Hematology Confolio Network being blocked until you contact us and resolve the problem. If you repeatedly break this rule you will be permanently blocked from the website.

Access to the website pages via an Open Proxy Server is prohibited.

Any material on the BBC homepage must be suitable for a general audience including children.

Users of Hematology Confolio Network can place links to other websites on the Hematology Confolio Network, the H-Net and the European Hematology Association are not responsible for the content of external websites. This is because:

- the H-Net and the European Hematology Association does not produce them or maintain/update them
- the H-Net and the European Hematology Association cannot change them
- they can be changed without the H-Net and the European Hematology Association knowledge or agreement

The inclusion of a link to an external website on Hematology Confolio Network should not be understood to be an endorsement of that website or the site's owners (or their products/services).

The terms of this Agreement constitute the entire Agreement between you and us with respect to Hematology Confolio Network and supersede any prior written or oral representations or agreements.

The H-Net and the European Hematology Association reserve the right to modify the terms of this Agreement at any time.
